Western Maine Addiction Recovery Initiative Mission:

Our goal is to build a collaborative, non-judgmental environment to support addiction recovery through education, advocacy, and compassionate community action.

Join the Western Maine Addiction Recovery Initiative and friends for the 3rd Annual Western Maine Recovery Rally.

We'll start with a march from the Norway UU Church to Moore Park in South Paris, where there will be food and music.

At 1:00 pm, guest speakers will share their journey through recovery, while others share their experience with loved ones affected by substance use disorder. This is a free, family friendly, sober event for all. Free t-shirts will be available, on a first come, first served basis!

Transportation to and from Fryeburg and Mexico will be provided. For more information, please visit www.wmari.org. If you'd like a ride, please RSVP by contacting Hollie Legee-Cressman at hollie@healthyoxfordhills.org or 207-739-6222.
